LEGEND

Sample No. Diagnosis/Recommendations

44150351678	No abnormal wear detected for recent overhaul. Resample next oil change to check wear trend.
44150345905	No abnormal wear detected for recent overhaul. Resample next oil change to establish wear trend.

Since services are based on samples and information supplied by others, and since corrective actions, if any, are necessarily taken by others, these services are rendered without any warranty or liability of any kind beyond the actual amount paid to ALS Laboratory group for the services. Reported recommendations are based on interpretations of the generated test results and historical data. Certain test results appearing in this report may have been tested at other ALS laboratories within the Tribology divisional network.
